G2 WT Ranking for official categories

WELCOME

This outline is designed to be used as a guideline for the coaches and athletes for the 2022 Pan American Online Poomsae Open. You will find information regarding the general competition (schedule, participation categories, platform) as well as the technical requirements for participation (Hardware, Software, Internet, etc.).

The performances are to be executed from the athlete's location (taekwondo school, house or preferred stage), ensuring an optimal environment for their digital visualization.

This tournament will be streamed in real time through PATU YouTube and MasTKD. Information regarding registration, competition rules and format can be found within this packet. For general questions from coaches or athletes, please contact us by the following support email address:

upload@vaztic.com

In addition, please whitelist the above email address, and periodically check the spam or junk mail folder to ensure that no communication is missed:

Please note all email communication will be sent to the email listed on the Simply Compete registration data.

Note: Freestyle recordings may rotate the camera further if needed to keep the athlete in frame.

- Video recording submissions must be of sufficient quality to enable referees to effectively judge all movements. It is recommended that you use the following recording details for best results:

- Resolution: 1080p minimum
- Frame Rate: 60fps minimum
- Orientation: Horizontal (Landscape)

- **If your video is not clear enough for the referees, this may affect your overall score.**

- Only IOC recognized flags are permitted to be displayed. Religious or political displays are NOT permitted.

- After the Head of Team meeting. The online systems company - Vaztic will email all competitors a unique link to submit their videos for the competition. This link will open a page showing the athlete's name, NOC (National Olympic Committee), and division. The page will contain one submission box for each required video and will be labeled with the round and the poomsae required for the video. Please be sure to upload the correct poomsae in the correct order. The page will display a confirmation message after each successfully uploaded video.

- All commands are encouraged (but not mandatory) to be given and audible on the video.
