#TodosSomosPATU #WeAreAllPATU

Dear Friends of Pan American Taekwondo:

The Pan American Taekwondo Union (PATU) is honored to invite you to the First Pan American Summit on Innovation in Taekwondo, an event designed to share knowledge in three areas of significant growth and impact in our sport: Freestyle Poomsae, Para Taekwondo, and Virtual Taekwondo.

This event features an innovative format that allows each participant to choose their own learning path. Everyone will be able to attend the lectures and classes and will receive a Certificate of Participation acknowledging the hours of training completed.

Those wishing to obtain PATU certification may optionally take the exams corresponding to one, two, or all three modules, depending on their interests and professional goals.

The academic content will be the same for all attendees, ensuring a comprehensive and enriching learning experience led by top-tier specialists.

Our goal is for each participant to return equipped with up-to-date tools, cutting-edge knowledge, and better preparation to tackle future certification processes as a coach, referee, and instructor, as well as to strengthen the development of Taekwondo in their respective countries.

It will be an honor to have you participate and to share this experience of growth and innovation together.

Best regards,

LAE Juan Manuel López Delgado
Pan American Taekwondo Union
President
